

Presenting a Poster at the OSHP Annual Seminar
Meeting Location: Salishan Spa & Golf Resort
April 24-26, 2009
(Poster presented on Saturday, April 25)

Call for OSHP Annual Seminar Posters

OSHP invites all residents and fellows to submit a poster for presentation during the Annual Seminar at Salishan Spa & Golf Resort; April 24-26. Residency projects are ideal for this; and it is a good opportunity for residents to display their work before their peers within the state!! We all want to see the great work you are doing!!! So why not take the challenge and do a poster!!

The poster session will be held on Saturday April 25. Poster presentation details will be forwarded to presenters at a later date. The Oregon Board of Pharmacy will allow continuing education for poster presenters.

Projects do not have to be complete; they can be still in the implementation phase or just getting going! If you do not have any data yet, do not let that keep you away. Describe the project and goals and aims... results can come later!

OSHP poster session utilizes guidelines similar to those of ASHP and ACCP. **For participation in the poster session, abstracts should be submitted to the OSHP Annual Seminar Committee (Margaret McGuinness or Lynn Belcher) by March 15.** Poster abstracts will be reviewed and presenters notified by April 1, three weeks prior to the seminar.

Posters are presented in two categories: residents/students and practitioners. Prizes for first and second place are awarded in each category.

For more information, contact:

Margaret McGuinness at Margaret.mcguinness@usoncology.com or by phone at 503.528.5206

Lynn Belcher at lbelcher@LHS.ORG or by phone at 503.413.7476
