### Legislative Actions approved by the Board for Oregon 2021 session

---

- Primary Objective: to authorize payment for all pharmacist services in connection with Prescribing pursuant to Formulary Committee protocol or authorization. To authorize payment for all legislatively mandated prescribing such as insulin. The language will be similar to the PEP/PrEP (HB 4116) bill in the 2020 session.

HB4116

- Advocate for reimbursement language similar to the PBM language prohibiting differential reimbursement to hospitals for 340B programs
- Advocate for pharmacist authorization to order and interpret COVID-19 tests.
- Participation and review of Universal Legislative Task force recommendations to the legislature. UAPC discussion guide outlines potential legislative actions
